

# 2024 WellPower Preferred Drug List

The following Preferred Drug List is an abbreviated version of commonly prescribed medications. This list is intended as a guide only. Prescribers should still use generics when possible. Brand Drugs are listed in all CAPS and generic products are listed in *lowercase italicized* letters.

Member-specific benefit plan designs may not cover certain categories or medications, regardless of their appearance in this document.

This Preferred Drug List is subject to change at any time without written notice.
